Disclosure

We will not disclose your patient information or the nature of professional services rendered to you without your express consent or without a court order, except to the following authorized persons:

- (a) members, inspectors, or agents of the Board of Pharmacy;
- (b) you, your agent, or another pharmacist acting on your behalf;
- (c) another person, upon your request;
- (d) licensed health care personnel who are responsible for your care;
- (e) certain state government agents charged with enforcing the controlled substances laws;
- (f) federal, state, or municipal government officers who are investigating a specific person regarding drug charges; and
- (g) a government agency that may be providing medical care to you, upon that agency's written request for information.

Minimum Necessary

We will only use your information to provide pharmacy care.
